GedDev, LLC

Your website, kept current

Text and photo updates, new pages from your existing layouts, event and donate-button changes. Small jobs, without a web person on staff.

Setup covers

- Access to your site, and a backup before anything changes
- A site review: what is broken, out of date or missing
- 1 hour of revisions, included

After that

- Hourly, quoted in writing first
- Nothing owed without your email approval
- Rebuilds quoted separately

Website work	Price
Setup (includes 1 hour of revisions)	**$250**
Work after that, half-hour minimum per piece, then 15-minute increments	**$85 an hour**
Google Ad Grants setup, when you also take website work	**$300 instead of $600**

Next step

Reply to any email from Seth with your website address. The site review comes back with the setup.

Everything is done in your own accounts; you keep the keys. One-time fees are invoiced when the work is done, hourly in arrears with hours by task, due in 15 days. GedDev also writes and administers grants: geddevllc.com/grants.
